I went by earlier but nobody was at the encampment but I will let Caltrans know so they can post signs in order to clean up.. Also I noticed that 39<sup>th</sup> street directly under the 110 freeway is heavily populated with homeless encampments so if you can let LAPD and city officials know, if they need any assistance with anything just let me know...

Appreciated, think it's now a couple people living back there.

Hi Louis,

We spoke a couple months back about 39th Street and who owned the area under the bridge.

I wanted to alert you to an encampment that has sprung up on Caltrans property in a locked area on Flower Dr., just south of the 39th Street area adjacent to the 110 freeway. The area has a chain link fence around it with an opening that is usually locked.

Hopefully you or your team can get by to check on it.

If you have any questions, please let me know.

Thanks,  
Aaron

Good afternoon Sir, my name is Officer Garcia from the Central Los Angeles CHP Office. I am assigned to the Pedestrian Enforcement Team and Officer Rojo was filling in for me on the date you met him. I am following up with you regarding the encampment located on 39<sup>th</sup> Street underneath the 110 freeway. Please contact me when you would like to meet up so we can discuss a possible clean up. You can contact me at the office (213-744-2331 ext.262/Pedestrian Enforcement Team) if you please.
